April 24 - 28th 2019

Second edition

The second edition of MONACO ART WEEK is taking place from the 24th to 28th of April, 2019.

Galleries and auction houses are teaming up for exhibitions and artistic rendez-vous in Monaco. Synergy and exchange are the core of these cultural events, which aim to highlight and promote Monaco's art scene. The website, updated throughout the year, will be the platform to discover the partner current exhibitions, it will be the reference portal for every art friendly visitors in the Principality.

The MONACO ART WEEK Association was conceived from a desire to unite the Monegasque cultural actors through their joint activities spread over different districts of the Principality. Specializing in ancient, modern and contemporary art, MONACO ART WEEK's participants will work hand in hand to welcome the public to their spaces and help their discovery of various art periods. MONACO ART WEEK's innovation lies in the dialogue between different artistic genres and movement covering nearly five centuries of artistic production.

During the event, a free shuttle service will be available for all visitors. The shuttles will provide uninterrupted transport, throughout the three main neighborhoods where the participants are located: Larvotto - Monte Carlo - Condamine. This system will ease access to exhibitions, encouraging the exploration of the Monegasque artistic landscape, while complementing the dynamic cultural offering throughout the city this time of the year with Monte-Carlo Spring Arts Festival, museum exhibitions, Ballets de Monte-Carlo's latest creations, artmonte-carlo and PAD art fairs, as well as many prestigious auctions.
